# RACE

A student's basic strategy for responding to text-based questions.

| | |
|---|---|
| **R** | **R**ead and **R**estate the question as a statement phrase to begin your response. |
| **A** | **A**nswer the question based on the reading |
| **C** | **C**ite text to support your answer / response. ***Think:*** Why and how is my answer or response logically and reasonably supporting the answer to the question? |
| **E** | **E**xplain how your cited text supports your answer. |

## Race [2]

***Extend*: C**ite and **e**xplain twice: *elaborate to elevate your response*
